RECOGNIZES

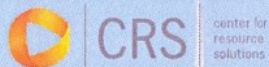

Mohawk Fine Papers, Inc.

for environmental leadership through a significant purchase of Green-e® Energy Certified renewable energy. Certified renewable energy meets strict environmental standards developed by the nonprofit Center for Resource Solutions. By supporting clean renewable energy, you are contributing to cleaner air and helping reduce dependence on fossil and nuclear fuels. We applaud your outstanding environmental commitment.

Arthur O'Donnell, Executive Director
Center for Resource Solutions

February 22, 2010

Date

Buying renewable energy is one of the most effective steps to reduce greenhouse gases, protect our natural resources, and create a more sustainable future.

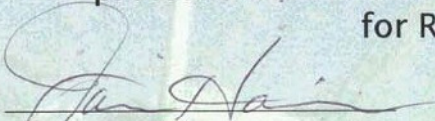

Green-e

Renewable Energy Certification Program

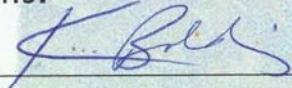

Recognizes:

Mohawk Fine Papers, LLC

for offsetting your electricity use with Green-e Certified Renewable Energy Certificates provided by Community Energy, Inc. that meet strict consumer and environmental protection standards developed by the non-profit Center for Resource Solutions.
