MetsäBoard
Natural FBB

MetsäBoard Natural FBB

MetsäBoard Natural FBB is a white, uncoated folding boxboard, perfect for packaging that requires a more natural look and feel. Ideally suited to packaging applications that require an OBA-free board, MetsäBoard Natural FBB is hard-sized to prevent edge penetration by moisture, and FDA approved for food packaging. A lightweight and sturdy board that provides more yield per tonne, making it a cost effective option. MetsäBoard Natural FBB is available as FSC® and PEFC® on request.

Vital Stats

- **White** both sides uncoated folding boxboard.
- **ISO14001 certified**
- Suitable for a wide range of applications including skin and blister packaging.
- **Hard sized** preventing edge penetration by moisture.
- **OBA free**
- **FDA approved** for food packaging
- Available as FSC® and PEFC® on request
- **ECF** - Elemental Chlorine Free pulp

Suitable Embellishments

Die-cutting, Embossing, Debossing, Foiling

Suggested Uses

Food Packaging, Takeaway Food Packaging, Paper Plates, Folded Trays, Cosmetics, Pharmaceuticals

Environmental Profile

MetsäBoard Natural FBB is produced using ECF (Elemental Chlorine Free) pulp, and manufactured under the strict ISO14001 Environmental Management System, and available as FSC® and PEFC® on request.
