

CRESCENDO

# CRESCENDO

Crescendo is a premium one or two side coated, ultra white (122 CIE), solid bleached sulphate (SBS) board, with high brightness, clean white styling and a smooth surface, ideally suited to high end printing and graphical work where quality matters. Crescendo is FDA approved, with restrictions, making it safe for food packaging and applications where the scent, taste or purity of a product must be unaffected. Suitable for embossing, foiling, die-cutting, scoring and folding, Crescendo is produced using ECF (Elemental Chlorine Free) PEFC® Certified pulp.
