## ENVIRONMENTAL INFORMATION

Advance Laser is manufactured under the strict ISO14001 Environmental Management System. It is produced from ECF (Elemental Chlorine Free) pulp sourced from purpose grown farmed trees. This is part of the Framed Trees initiative which supports local Thai communities by providing them a means of creating additional income. Weights 80 – 120gsm are from Farmed Eucalypt Trees. Weights 150 – 350gsm are FSC® (C102086) Mix Certified.
